Weirs Community Park

On May 21st, a ceremony was held at the Weirs Community Park amphitheater to dedicate a new park bench in memory of long time Weirs Beach resident Don Richards who passed away last June. Always active in the community, Don provided years of service and leadership with the Weirs Action Committee, the Weirs Community Park Association, and served 18 years on the Laconia City Planning Board. The planning and construction of the Weirs Community Park was his proudest community contribution.

OPECHEE GARDEN CLUB

A growing tradition in the Lakes Region

Laconia High School students, Abigail Bailey and Emily Courson, and their School Counselor, Wendy Hammill, joined Opechee Garden Club members Barb Sargent and Suzanne Perley, in dividing perennial plants, catmint and daylilies, at the WOW Trailhead in Lakeport. The plants will be available for sale at the fundraising Plant Sale, on June 10, 2017, in Gilford. Left to right: Barb Sargent, Abigail Bailey, Wendy Hammill, Suzanne Perley, and Emily Courson.

OPECHEE GARDEN CLUB PRESENTS JUNE PLANT SALE!

Mark your calendar!

On Saturday, June 10, 2017, rain or shine, the Opechee Garden Club will hold its celebrated Plant Sale, from 9 AM - 3 PM, on the breezeway and in the vestibule of the Gilford Community Church, 19 Potter Hill Road, in Gilford, NH. Ample parking and easy plant pick-up are both available at this location.

This sale will offer a variety of member-dug hardy perennials, such as hosta, sedum, iris, daylilies, succulents and daisies. Herbs, house plants and dish gardens will also be available for purchase. All plants will be labeled with growing requirements, sun/shade, dry/moist conditions. Several of the Club's Master Gardeners will be available to answer questions, and help you select the right plants for your garden, as you browse the assortment of plant material. Come early for the best selections.

There will also be a Craft Table with garden and garden-related items such as garden gloves, decorated pots and birdhouses, and garden tools for sale. A raffle opportunity will offer three specialty items.

Proceeds from this fundraiser will benefit local civic gardens in Laconia, the Belknap County Court House gardens, the Laconia Post Office gardens, the Laconia Library gardens, the WOW Trailhead gardens in Lakeport, and in Gilford, the historic Rowe House gardens, all of which are planted and maintained throughout the growing season by the Opechee Garden Club.

These tables show just a few of the perennials, dish gardens, and house plants offered at the Plant Sale that accompanied the 2016 "Glorious Gardens" Garden Tour, sponsored by the Opechee Garden Club.

Opechee Garden Club Members, Jane Rollins, Charlotte Noyes, and Karen Coppi, assisted customers at the Plant Sale in 2016 at the Gilford Community Church.

Other beneficiaries of grants or gifts are the Lakes Region Scholarship Foundation, the Loon Preservation Committee, the Squam Lake Science Center, and Kirkwood Gardens. *If you have questions, please contact us at:* opecheegardenclub2012@gmail.com

Pet of the Week: **Whitt**

This handsome longhaired tabby came to NHHS after his owner passed away. It wasn't long before we discovered he had a significant issue with his right eye – which galvanized our medical team to determine the best course of action was to remove it.

Whitt has adjusted well to his somewhat pirate like way of looking at the world. He doesn't have an eye patch, but would surely look just as handsome if he did. This one-eyed cat, who could certainly pass himself off as a Maine Coon look-alike, is calm, easygoing and so very sweet.

Aged about 12 years old, he is in all other respects a wonderful healthy boy, now just waiting for that comfortable retirement home with plenty of windows for bird watching and laps for snuggling!

He is truly the kindest soul, and warms up to new people right away with lots of head scratches and some loving attention.

Please come and visit Whitt today! We promise you will fall in love with this handsome character.

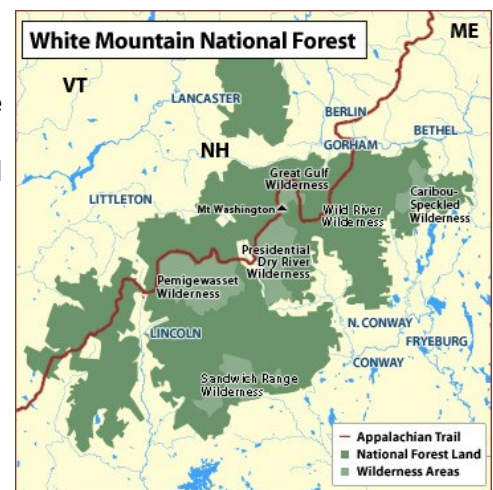

Check www.nhhumane.org for more details.

The White Mountain National Forest and the Weeks Act

Taylor resident Vincent Lunetta will tell the story of the Weeks Act – so visible in New Hampshire's beautiful White Mountains - Monday, June 5 at 6:30 p.m. in Taylor's Woodside Building. The event is free and open to the public. Historical and contemporary photos as well as video clips from the White Mountain National Forest (WMNF) will be shown.

The Weeks Act of 1911 was named for John Wingate Weeks, born in Lancaster. Initially, the Act had been contentious federal legislation that ultimately enabled the protection and wise management of what is now the nearly 800,000 acres of the WMNF. The legislation of this act enabled the creation of 41 eastern National Forests that now protect and manage more than 20 million acres in 24 states.

Please click [here](#) for the Water Dept. website!

We are continuing our work along North Main Street in conjunction with Busby Construction.

Currently we are working between Blueberry Lane and Old North Main St.

We estimate that we have approximately a week's worth of work left. Our plan is to trench patch prior to Motorcycle Week.

As always, two-way traffic will be maintained, however we recommend seeking alternate routes to avoid delays. **Stay tuned for further updates.**
