## Laconia Police Department Taking Back Unwanted Prescription Drugs April 29, 2017

Laconia Police Department and Standup Laconia are sponsoring this year's National Prescription Drug Take Back Day on Saturday, April 29th from 10 am until noon.

The National Prescription Drug Take Back Day is anonymous and free. It takes unused medications out of the community and reduces the opportunity for misuse and abuse. The Laconia Police Department's medical collection box is located in the lobby at the Laconia PD, available 24/7.

**Welcome** to *Laconia Links* a weekly email newsletter update devoted to keeping you informed of City of Laconia department news, City projects, useful links, activities and events!

Look for a new edition of the newsletter each Friday. If you have already signed up to be on our distribution list to receive your newsletter by e-mail, thank you for your interest! If you would like to be added to our e-mail list (or to unsubscribe), please click [here](#).

As always, we welcome your ideas and comments as to what you would like to see included in future issues. Just give us a call in the City Manager's office at 527-1270, or contact us by e-mail at [info@laconianh.gov](mailto:info@laconianh.gov)

*We look forward to keeping you up to date on our beautiful City!*

*Spring has sprung in front of the Community Center on Union Avenue!*

**Assessing** Questions? Please call the Assessing Office at 527-1268

The Assessing Department is conducting their "cyclical update" - performing data collection - at properties in the northeastern portion of the City. This includes areas within Parade Rd. and Meredith Center Rd., Southdown and Long Bay, the upper portion of Elm St. including Massachusetts Ave., and North St. through Paugus Park Rd. We anticipate visits will continue through early August.

## Laconia Public Library Upcoming Events.....

### 'TWEEN JEWELRY SERIES: BRACELETS

Wednesday, May 3  
4:00-6:30 pm  
Laconia Rotary Hall

Join us for a three part series. This month we will make a double-strand beaded bracelet with toggle clasp.

All materials provided. Sign up is required as space is limited to eight 'tweens (ages 9- 13).

Please arrive promptly at 4pm.

**ADULT BOOK DISCUSSION:  
"GIRL WAITS WITH GUN"  
BY AMY STEWART  
Tuesday, May 2 @ 7pm  
Laconia Rotary Hall**

A novel based on the forgotten true story of one of the nation's first female deputy sheriffs. Constance Kopp doesn't quite fit the mold. She towers over most men, has no interest in marriage or domestic affairs, and has been isolated from the world since a family secret sent her and her sisters into hiding fifteen years ago. One day a belligerent and powerful silk factory owner runs down their buggy, and a dispute over damages turns into a war of bricks, bullets, and threats as he unleashes his gang on their family farm. When the sheriff enlists her help in convicting the men, Constance is forced to confront her past and defend her family — and she does it in a way that few women of 1914 would have dared. Books are available for loan, ask at the circulation desk .

# Upcoming Meetings...

Keeping the public updated and aware of what's going on in our community and receiving residents' feedback is an important goal of the City Council. Check each week's issue of *Laconia Links* for a schedule of the upcoming week's meetings. As agendas become available, they will be posted to the City's website.

You can also contact any of the City's departments for more information on a meeting or to obtain a printed copy of the agenda. Meetings are open to the public. You are invited and encouraged to attend and provide input.

Follow this [link](#) to the "Calendar" page of the City of Laconia's website. Click on a specific meeting for more information.

Please check the "Calendar" page often for updated info and changes.

## Nurturing Skills for Families

THURSDAY MORNINGS – 11:00AM TO 1:00PM OR THURSDAY EVENINGS – 6:00 TO 8:00 PM

Four 5-6 week modules, plus a one-time orientation

May 4, 2017  
(Orientation)  
May 11  
May 18  
May 25  
June 1  
June 8

### Developing Empathy & Self-Awareness

The importance of empathy and techniques for managing feelings anger and stress.

(5 week module)

Attend one module or all 4! You can start with any module and still complete the series.

Choose day or evening classes!

Thursdays 11:00am-1:00pm, lunch included OR Thursdays 6:00-8:00pm, dinner served at 5:30.

Participation is free. Satisfies court-mandated parenting class requirements.

Limited on-site childcare and assistance with transportation available upon request.

Orientation, pre-assessment & post-assessment surveys are part of the series.

To register: Contact Tricia T. at 528-0391 or email [tricia.tousignant@lrcs.org](mailto:tricia.tousignant@lrcs.org)

## CITY OF LACONIA Notice of Public Hearing

According to Article V (§5:06) of the Laconia City Charter and other applicable State laws, the City Council will hold a Public Hearing on May 8, 2017 during the regular Council meeting which will begin at 7:00 pm in City Council Chambers, Room 200A relative to :

Proposed Ordinance ORD-2017-221-04 amending Chapter 235, Zoning relative to Accessory Dwelling Units. The update changes requirements and definitions for "Accessory Apartment" to "Accessory Dwelling Unit (ADU)" An RSA passed that created and defined ADU's and mandated the City allow ADU's in all zones that permit single-family dwellings with other accompanying requirements on June 1, 2017. Laconia's zoning ordinance needs to be updated in order to meet State requirements and to control the implementation in the City.

Mary Reynolds  
City Clerk

## Lakeside Avenue Reconstruction Project!

Be sure to take a ride to the Weirs and check out all of the progress being made on Lakeside Avenue.

We'll be ready for an awesome summer! Watch for details about an upcoming event to celebrate the improvements.

*Our thanks to Steve Loughlin for the photographs.*

## *Tales of the Allagash With Tim Caverly*

Maine Author Tim Caverly has written and published seven books about Maine's northern forest. In addition, several of his short stories have been printed in newspapers, magazines and outdoor journals.

Canoe 92 miles through the heart of the Maine woods as Caverly guides you down the wild Allagash in a presentation on Monday, May 8 at 6:30 p.m. in Taylor Community's Woodside Building. The event is free and open to the public.

The program includes music as well as scenic and historic photos from our northern forest. Listen as he recounts forgotten logging history; Native American lore and tales of animals and characters he encountered while living in remote New England.

### **MAY13TH 9:30-4 RELAX, RENEW & REJUVENATE DAY**

Everyone is affected by some sort of stress, which can impact the mind, body and health. Please join us and take some time for yourself to breathe, laugh, and connect with others.

Presented by:

[info@city.laconia.nh.us](mailto:info@city.laconia.nh.us)

## AWARD-WINNING GARDEN DESIGNER AND AUTHOR, KERRY ANN MENDEZ, WILL PRESENT PROGRAM IN GILFORD ON MAY 4, 2017

Opechee Garden Club is pleased to announce a special evening presentation with award-winning garden designer and author, Kerry Ann Mendez, on Thursday, May 4, 2017, at 6:30 PM, at the Gilford Community Church, 19 Potter Hill Road, in Gilford, New Hampshire. The title of her program is, "The Right Size Flower Garden: Exceptional Plants and Design Solutions for Aging & Time Pressed Gardeners."

Kerry Ann Mendez, the proprietor of "Perennially Yours", has dedicated herself to teaching the art of high-impact but low maintenance flower gardening and landscaping. Quoting from her website, "As a garden consultant, designer, author and lecturer, she focuses on time-saving garden techniques, workhorse plants and sustainable practices." This is surely good news for older gardeners, but also for time-pressed gardeners of all ages.

Mendez's history as a gardener began in the early 1980s when she was working as the Associate Director of Alumni Relations at Union College in Schenectady, New York. Needing supplemental income, she asked a woman for a weekend job of dividing perennials in her fields. The woman later suggested that Kerry Ann begin her own business. Finally, in 2003 after 18 years at Union Mendez took the leap into starting her own business, teaching, writing and speaking to groups all about gardening.

After her husband broke his neck and retired early, Kerry Ann needed to step away from her own business and work fulltime as director of marketing for a nursery. She also needed to rethink the size and time requirements of her gardens. Thus, "The Mendez Method" began. She reduced the size and scale of her gardens by 50% and replaced time-consuming plants with others requiring less time, but still bringing beauty to the gardens and joy to the gardener's heart. Thinking that other gardeners might benefit from her gardening revelations resulting in smaller garden sizes and more careful choices of plant material to lessen garden labor, Kerry Ann began writing books and making presentations about these alternative selections throughout the United States and Canada.

As time passed, Mendez's prominence and renown in the gardening world have increased greatly. She and her methods have been featured in numerous gardening publications; Horticulture, Fine Gardening, Garden Gate, and Better Homes and Gardens, Garden Ideas and Outdoor Living. She was also a guest on HGTV and made several television segments on gardening practices. She is the recipient of several prestigious awards. In 2014 Kerry Ann received the Gold Medal from the Massachusetts Horticultural Society, "an honorary medal presented to outstanding horticulturalists, plant innovators and those who have made significant contributions to the enjoyment and appreciation of plants and the environment." In August, 2015 she received the honor of being elected as a Region 1 Director for the Garden Writers Association.

Mendez is a very much "in demand speaker" for professionals, such as the Professional Landscapers School in Indiana, the West Virginia Nursery and Landscapers' Association, the New Hampshire Landscape Association, and the Montana Nursery and Landscape Association Winter Expo, to name just a few. She has also spoken at horticultural societies, Master Gardeners Conferences in 15 states, the U.S. Botanical Gardens and Longwood Gardens, as well as statewide garden club conventions in New Hampshire, Maine, Maryland and Virginia. This year, in May, 2017, she will be the keynote speaker at the National Garden Club Annual Convention in Richmond, Virginia. Kerry Ann has presented programs at many garden centers and nurseries, including Churchill's Garden Center in Exeter, New Hampshire.

She has written three top-selling garden books, "Top Ten Lists For Beautiful Shade Gardens", "The Ultimate Flower Gardener's Top Ten Lists", and "The Right Size Flower Garden" for which she received "accolades" from the Chicago Times, the Sacramento Bee", and others. A fourth book is scheduled for release in 2018. Copies of her first three books will be available for sale at the presentation on Thursday, May 4, 2017.

Opechee Garden Club hopes that you will join us for what promises to be both an educational and an enjoyable evening. A quote from Bill Cullina, award-winning author and Executive Director of Coastal Maine Botanical Gardens, states "Kerry Mendez has amassed a tremendous knowledge and expertise in horticulture, yet she is able to pass along this knowledge in a completely approachable way that feels more like a friendly conversation across the garden fence than a lecture. Her enthusiasm for flowers and gardening is truly infectious and her passion for sharing is boundless. In this complicated and overscheduled age, Kerry brings a simple, no nonsense approach that will show you how to have beautiful gardens without spending a fortune of time or money."

This program is open to the public. Light refreshments will be served. A \$5.00 donation is requested.

# Laconia Parks & Recreation

# VEGETABLE PLANTING GUIDE...Part II

## HELPFUL HINTS:

You can always get plants from local vendors if you don't want to start your plants from seeds. You will plant these seeds directly into the ground.

Some of the easiest veggies to grow are carrots, green beans, lettuce, cucumbers, spinach and tomatoes.

Pots can be anything in your imagination that will hold soil, such as dish pans, 5 gallon buckets, repurposed pots or make them out of old newspaper. Be creative!

To clean a repurposed pot, use a 1:10 bleach to water solution.

To start your seeds you want to use a high quality seed starting mix in your pots.

Potting mix can be used in the transplant stage from small seed starting pots to large pots.

It is possible to plant multiple seeds in one pot. However, they may need to be thinned or separated depending on the plant when you plant them in the ground.

Put your pots in a window facing south/southwest if possible for best sun exposure. Be sure the window is not drafty.

Keep soil moist, but don't over water. Plants can drown.

When first starting your seeds cover the pot with clear plastic, such as cellophane or plastic bag to keep the moisture and heat on the plant. Use a cotton swab to prop the plastic off the plant. Remove when the plant has sprouted.

If desired, a grow light or heat mat can be used to speed up the growing process. Educate yourself on this process before starting.

If you have succeeded with your garden and you have extra produce, spread the wealth! Give some to your neighbors, or there is a produce exchange area at the Laconia Community Center where you can drop off your stuff and pick up others.

Lastly, Laconia Parks & Recreation has started a seed swap program, so when you are finished planting and have extra seeds feel free to bring them to the Community Center as a donation for other gardeners to try.

*Happy Gardening!*

# NH Humane Society

Over a century of love for those without a voice.

## Reduced Cost Spay/ Neuter Program Available at NH Humane Society

A key component of the New Hampshire Humane Society's mission is to provide forever homes to lost, abandoned and neglected animals. All animals at the shelter located on Meredith Center Road are sterilized prior to adoption, in addition to receiving routine vaccinations, anti-parasitic medication, microchipping and behavioral and enrichment care before embarking on the next step in their lives, a loving forever home. Adoption placement is only one facet of the multi-pronged mission at this animal welfare agency. Providing an alternative for pet owners seeking spay neuter services is another aspect of this community resource for animal related issues.

S.N.A.P. is an affordable Spay/Neuter Assistance Program to help reduce the number of unwanted animals that end up on the streets, in need of care. This program is available to anyone wishing to access surgical sterilization of his or her pets. In 2016, the NH Humane Society S.N.A.P. program provided 187 reduced-cost spay and neuter procedures. NHHS Executive Director, Marylee Gorham, says, "This is an important community outreach initiative that we provide to promote our mission and help the members of our community be responsible pet owners."

To apply, simply visit [www.nhhumane.org](http://www.nhhumane.org). Applicants should provide current vaccination status for the pet including rabies certification. Should the pet need vaccinations those too are offered as part of the service, thus assisting pet owners remain in compliance with State law. If fleas, ear mites, or tapeworms are noted, NH Humane Society will also treat for those parasites.

Applying to the program is easy and streamlined either online, by mail, or fax to the shelter. The NHHS veterinary team reviews the applications and sets surgery dates by appointment, giving additional instructions to prepare the pet prior to surgery. Check in time is 8.00a.m – 9.00a.m on Thursdays. Currently, wait time for booking surgery at the shelter is about two weeks.

The SNAP program is able to offer reduced-fee spay and neuter services because of community support. If you would like to help end pet overpopulation, please consider contributing to the NH Humane Society SNAP Program.

The NH Humane Society is a 501(c)3 non-profit whose mission is to find responsible and caring forever homes; provide shelter for the lost, abandoned and unwanted animals; advocate and be the voice for the voiceless. The Humane Society works hard to prevent cruelty to animals and offers education and outreach programs, pet therapy, and many community initiatives to help people and their pets in the 17 communities in the NHHS area, and beyond.

For more information about the SNAP clinic, and to view adoptable pets and learn about other programs offered at NHHS, call 524-3252 or check [nhhumane.org](http://nhhumane.org)

# Longer Healthy Living in the Lakes Region

Join Steve Norton, Executive Director of the New Hampshire Center for Public Policy Studies, and local service providers from the Lakes Region for a look at the momentous demographic changes facing New Hampshire, the Lakes Region and Laconia.

As Americans live longer and healthier lives, we look for creative solutions to ensure we can all thrive as we age. As New Hampshire becomes one of the fastest aging states in the nation, join the conversation about what local government can do to help to manage these shifts. This comes with new insight into what the future brings and how we can adjust to a future population that is no longer growing but is stable and aging.

# NH Humane Society

Over a century of love for those without a voice.

NH Humane Society  
Celebrates Selection as  
Gilford "Hannaford Cause  
Bag Program" Beneficiary

The NH Humane Society is thrilled to have been selected by the Gilford Hannaford as its May beneficiary of the "Hannaford Cause Bag" program. This exciting program was designed to support local nonprofits like the NH Humane Society. For every Hannaford *Blue Bag with the Good Karma Message* purchased at the Hannaford located at 1425 Lakeshore Drive, Gilford, the NH Humane Society will receive a \$1 donation in order to help fulfill its mission of finding responsible and caring forever homes for lost, abandoned and neglected animals.

The Humane Society works hard to prevent cruelty to animals and offers education and outreach programs, pet therapy, and many community initiatives to help people and their pets in the 17 communities in the NHHS area, including Gilford, and beyond.

"We deeply appreciate being chosen by the Gilford Hannaford store to be the beneficiary of this worthy program," said Marylee Gorham, NH Humane Society Executive Director. "We rely on our community business partners as an integral part of achieving our mission - to advocate and be the voice for the voiceless." For more information on the Hannaford Cause Bag program, visit [www.hannaford.bags4mycause.com](http://www.hannaford.bags4mycause.com) or [www.facebook.com/hhbagprogram](http://www.facebook.com/hhbagprogram).

**Laconia Area Bike Exchange**  
343 Court Street, Laconia NH

**The Laconia Area Bicycle Exchange (located at 343 Court Street, Laconia) is now open for the season! We are looking for adult men's and women's mountain style or road bikes. If you have one or more to donate please give John a call at 630-7571.**

**We provide an inexpensive means of alternative transportation in the form of refurbished bikes to adults and children. Bikes otherwise left in storage are refurbished to build a more bicycle safe community. Please come visit us and see what we're all about!**

**Happy Spring!**

# The Belknap Mill

## Industrial Heritage Program

### *Volunteers Needed*

The Industrial Heritage Program, "My First Day of Work at the Mill" is a fourth grade field trip program that the Belknap Mill has offered continuously since 1997. The inter-disciplinary program focuses on geography, government, mathematics, science, social studies, and economics, utilizing the historic Belknap Mill facility with its knitting machines, power house, and river setting.

The program actively engages the students in developing teamwork and problem-solving skills while immersing them in the historical aspects of mill life during the Industrial Age.

Set in 1918, the simulation has students taking the roles of workers in the mill yard, power house, knitting room, finishing room, and assembly line. Students spend 20 minutes at each station before rotating to learn about the other positions; then, after a lunch break, they reconvene to learn about the wages and community impacts of the mills. At the end of the day, the students receive a dime, the wages they would have earned after the turn of the 20th century.

Our program runs for 5-6 weeks from early May through mid-June, hosting approximately 60-70 students per day. We require 9 volunteers per day to help the program run smoothly, but we do not expect to see you every day – your time to give is up to you.

Please contact Tara Shore for more information  
603-524-8813 \* [operations@belknapmill.org](mailto:operations@belknapmill.org)
